

Schools in Vinnytsia Oblast receive generators under EU Civil Protection Mechanism

October 4, 2024

According to the Recovery Window network, a media partner of the EU NEIGHBOURS east programme, 15 schools in the Vinnytsia region of Ukraine have received generators provided under the EU's Civil Protection Mechanism.

The capacity of the generators ranges from 10 to 50 kW.

They were donated under the European Union's Civil Protection Mechanism, which is managed by the EU Directorate-General for Civil Protection. In response to the war in Ukraine, the EU is implementing its largest emergency operation since the creation of the Mechanism, and channels millions of emergency items to Ukraine and the region.

The Ukraine Recovery Window media network brings together 80 independent

regional and national media and analytical platforms to monitor and report on all aspects of reconstruction in Ukraine, highlighting EU and international donor support for recovery. The Recovery Window network is a partner of the EU NEIGHBOURS east programme.
